

Monday, November 8, 2021

Dear Sir or Madam:

Magnolia Public Schools invites you to become a sponsor of our fifth annual Science, Technology, Engineering, Arts and Mathematics (STEAM) EXPO scheduled to be held on Saturday, May 7, 2022 at the Long Beach Convention & Entertainment Center.

STEAM EXPO 2022 is an excellent opportunity for all Southern California residents to enjoy a day full of STEAM projects, demonstrations, family challenges, arts showcases which include music performances and interactive stations, and robotics competitions. The EXPO itself will offer a venue for students to exhibit the outcomes of their STEAM studies and hard work, professionals to show how STEAM is used to better our communities, and participants to appreciate STEAM Education and supporters. The Expo event will connect our students to the communities, our students to the professionals, and generate interest and excitement for Science, Technology, Engineering, Arts and Mathematics.

Previous years' event brought together over a thousand of visitors enjoying over hundreds of interactive STEAM demonstrations in a carnival setting. Video highlights from the 2018 event can be seen at <http://www.magnoliapublicschools.org/apps/video/watch.jsp?v=10034166> STEAM EXPO also rewards great STEAM educators for their contributions to our communities.

Your sponsorship will contribute to the development of the future STEAM workforce by inspiring students to pursue independent research and helping them develop critical 21st-Century skillsets.

Enclosed you will find detailed information on the event sponsorship levels. We also encourage you to visit our website to learn more about other ways you and your organization can support the EXPO. Please do not hesitate to contact me with any questions. We look forward to working with you to make the STEAM EXPO 2022 a success!

Best,

Erdinc Acar, M.Ed.

STEAM EXPO Coordinator
