## INDEPENDENT AUDITOR'S REPORT

Governing Board  
Magnolia Science Academy 7  
(A California Nonprofit Public Benefit Corporation)  
Northridge, California

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Magnolia Science Academy 7 (MSA 7) (A California Nonprofit Public Benefit Corporation), which are comprised of the statement of financial position as of June 30, 2018 and 2017, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the *2017-2018 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, issued by the California Education Audit Appeals Panel as regulations. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to MSA 7's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MSA 7's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of MSA 7, as of June 30, 2018 and 2017, and the changes in its net assets, and its cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## ***Other Matters***

### ***Other Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information as listed on the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements.

The accompanying supplementary information is the responsibility of management, and was derived from, and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion the accompanying supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

## **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 13, 2018, on our consideration of MSA 7's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of MSA 7's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering MSA 7's internal control over financial reporting and compliance.

***NOTE 1 - ORGANIZATION AND MISSION***

**Magnolia Science Academy 7**

Charter school number authorized by the State: 0989

Magnolia Science Academy 7 (MSA 7) is a charter school located in Northridge, California that provides kindergarten through sixth grade education to approximately 200 students. MSA 7 was created under the approval of the Los Angeles Unified School District and the California State Board of Education, and receives public per-pupil funding to help support their operation. Los Angeles Unified School District approved the charter on February 26, 2008, and renewed the charter agreement in 2014 for a period of five years ending in 2019. MSA 7 is economically dependent on Federal and State funding.

**Magnolia Educational and Research Foundation**

MSA 7 is an integral part of Magnolia Educational and Research Foundation (Foundation), which also serves as MSA 7's Charter School Management Organization (CMO) that manages MSA 7's nonacademic operation such as financial, general administration, and human resource management. MSA 7's financial statements are included in the consolidated financial statements of Magnolia Educational and Research Foundation.

Administrative support provided to the individual schools and accounted for separately within the financial statements. School support uses a tier expense allocation structure based on student enrollment to calculate expenses to be charged out on each charter school.

**MPM Sherman Way, LLC**

The Foundation has the following consolidated affiliates (where the Foundation is the sole member) that were formed to provide assistance with funding capital improvement on behalf of the Foundation's activities. MPM Sherman Way LLC, a California limited liability company.

**Other Related Entities**

***NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES***

The significant policies followed by MSA 7 are described below to enhance the financial statements.

**Financial Statement Presentation**

MSA 7 is required to report information about its financial position and activities in three classes of net assets: unrestricted, temporarily restricted, and permanently restricted net assets. MSA 7 had no temporarily or permanently restricted net assets, as of June 30, 2018 and 2017, respectively. In addition, MSA 7 is required to present a Statement of Cash Flows.

**Accounting Method - Basis of Accounting**

The financial statements were prepared on the accrual basis in accordance with the AICPA's Audit and Accounting Guide, Not-for-Profit Organizations accounting principles generally accepted in the United States of America as applicable to not-for-profit organizations. Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported on the financial statements. Basis of accounting relates to the timing of measurement made, regardless of the measurement focus applied. MSA 7 uses the accrual basis of accounting. Revenues are recognized when they are earned and expenses are recognized in the accounting period in which the liability is incurred.

**Revenue Recognition**

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted depending upon the existence and/or nature of any donor restrictions.

All donor-restricted contributions are recorded as increases in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, either by the passage of time or the purpose is satisfied, the temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as "net assets released from restrictions." During 2017-2018, MSA 7 did not receive any donor-restricted contributions.

**Income Taxes**

MSA 7 are a non-profit public benefit corporation that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation and qualifies for deductible contributions as provided in Section 170(b) (1) (A) (vi). It is also exempt from State franchise and income taxes under Section 23701(d) of the California Revenue and Taxation Code. Accordingly, no provision for income taxes has been reflected in these financial statements. Income tax returns for 2014 and forward may be audited by regulatory agencies; however, MSA 7 is not aware of any such actions at this time.

**MAGNOLIA SCIENCE ACADEMY 7**  
**(A California Nonprofit Public Benefit Corporation)**

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2018**

---

MSA 7 have adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 740 that clarifies the accounting for uncertainty in tax positions taken or expected to be taken on a tax return and provides that the tax effects from an uncertain tax position can be recognized in the financial statements only if, based on its merits, the position is more likely than not to be sustained on audit by the taxing authorities. Management believes that all tax positions taken to date are highly certain, and, accordingly, no accounting adjustment has been made to the financial statements.

**Cash and Cash Equivalents**

For purposes of the Statement of Cash Flows, MSA 7 considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

**Accounts Receivable**

Accounts receivable are stated at the amount management expects to collect from the outstanding balance. Management provides an analysis of the probable collection of the accounts through a provision for bad debt expense and an adjustment to a valuation allowance. At June 30, 2018 and 2017, respectively, management had determined that all accounts receivable are fully collectible, and no allowance for bad debts has been established.

**Prepaid Expenses**

Prepaid expenses represent amounts paid in advance of receiving goods or services. MSA 7 has reported prepaid items either when purchased or during the benefiting period.

**Fixed Assets**

All assets with a useful life of greater than one year and costing more than \$5,000 will be capitalized and (except for land) will be recorded in the depreciation records. Property and equipment is capitalized at cost or fair market value on the date of receipt in the case of donated property. Depreciation is provided on the straight-line method over the estimated useful lives of the assets ranging from 3 to 10 years. Bulk computer, software, and other technology purchases with an aggregate value of \$25,000 or more are captured as fixed assets regardless of individual price of item. In addition, remodeling modifications and replacement costs of integral structural components are only capitalized when such costs incurred exceed \$50,000. Leasehold improvements are depreciated over the lease term (including options) or the useful life. Major additions are capitalized, and repairs and maintenance that do not improve or extend the life of the assets are expensed. When assets are sold or retired, their cost and the related accumulated depreciation are removed from the accounts with the resulting gain or loss reflected in the Statement of Activities. Depreciation expense for the year ended June 30, 2018 and 2017, was \$18,515 and \$20,286, respectively.

**Deferred Revenue**

Deferred revenue arises when resources are received by MSA 7 prior to the incurrence of qualifying expenditures. In subsequent periods, when the obligation in which the resources were received are met, or when MSA 7 have a legal claim to the resources, the liability for deferred revenue is removed from the Statement of Net Assets and revenue is recognized.

**MAGNOLIA SCIENCE ACADEMY 7**  
**(A California Nonprofit Public Benefit Corporation)**

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2018**

---

**Donated Services, Goods, and Facilities**

A substantial number of volunteers have donated their time and experience to MSA 7' program services and fundraising campaigns during the year. However, these donated services are not reflected in the financial statements since there is no readily determined method of valuing the services.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities, at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Significant estimates include the value of the beneficial interest in a charitable remainder trust.

**Net Asset Classes**

Magnolia Science Academy 7 is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted and permanently restricted.

Net assets of the Magnolia Science Academy 7 consist of the following:

**Unrestricted** - All resources over which the governing board has discretionary control to use in carrying on the general operations of MSA 7.

**Temporarily restricted** - These net assets are restricted by donors to be used for specific purposes. MSA 7 does not have temporarily restricted net assets.

**Permanently restricted** - These net assets are permanently restricted by donors and cannot be used by the school. MSA 7 does not have permanently restricted net assets.

**Unrestricted/Designated Net Assets**

Designations of the ending net assets indicate tentative plans for financial resource utilization in a future period. As of June 30, 2018 and 2017, MSA 7 has a \$254,562 and \$52,741, respectively, designated balance for California Clean Energy Jobs Act and Educator Effectiveness funds.

**Intra-company Receivable/Payable**

Intra-company receivable/payable results from a net cumulative difference between resources provided by the Foundation to MSA 7 and reimbursement for those resources.

**New Accounting Pronouncements**

In February 2016, FASB issued Accounting Standards Update (ASU) 2016-02, *Leases* (ASU 2016-02). ASU 2016-02 requires a lessee to recognize a lease asset representing its right to use the underlying asset for the lease term, and a lease liability for the payments to be made to lessor, on its statement of financial position for all operating leases greater than 12 months. ASU 2016-02 will be effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. Although the full impact of this Update on the Organization's financial statements has not yet been determined, the future adoption of this guidance will require the Organization to record assets and liabilities on its statement of financial position relating to facility and other leases currently being accounted for as operating leases (see Note 10).

In August 2016, the FASB issued ASU No. 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities* (ASU 2016-14). ASU 2016-14 change presentation and disclosure requirements for not-for-profit entities to provide more relevant information about their resources (and the changes in those resources) to donors, grantors, creditors, and other users. These include qualitative and quantitative requirements in the following areas: (1) net asset classes; (2) investment return; (3) expenses; (4) liquidity and availability of resources; and (5) presentation of operating cash flows. ASU 2016-14 will be effective for annual financial statements issued for fiscal years beginning after December 15, 2017, and for interim periods within fiscal years beginning after December 15, 2018. Early application of the amendments is permitted. The Organization has not yet completed its assessment of the impact of this guidance on its financial statements. Under this guidance, the Organization will be required to present two classes of net assets (net assets with donor restrictions and net assets without donor restrictions) and changes in each of these two classes, on the face of the statement of financial position and statement of activities, respectively, rather than the current required three classes (unrestricted, temporarily restricted, and permanently restricted).

**NOTE 3 - CASH AND CASH EQUIVALENTS**

MSA 7 maintains its cash in bank deposit accounts that at times may exceed federally insured limits. MSA 7 has not experienced any losses in such accounts. At June 30, 2018 and 2017, MSA 7 had a balance of \$1,306,496 and \$838,861, respectively, in excess of FDIC insured limits. Qualified employees are covered under multiple-employer defined benefit pension plans maintained by agencies of the State of California. Academic employees are members of the California State Teachers' Retirement System (CalSTRS) and classified employees are members of the California Public Employees' Retirement System (CalPERS).

The risks of participating in these multi-employer defined benefit pension plans are different from single-employer plans because: (a) assets contributed to the multi-employer plan by one employer may be used to provide benefits to employees of other participating employers, (b) the required member, employer, and State contribution rates are set by the California Legislature, and (c) if MSA 7 chooses to stop participating in the multi-employer plan, it may be required to pay a withdrawal liability to the plan. MSA 7 has no plans to withdraw from this multi-employer plan.

This report and CalSTRS audited financial information are publicly available reports that can be found on the CalSTRS website under Publications at:

**Benefits Provided**

The STRP provides retirement, disability and survivor benefits to beneficiaries. Benefits are based on members' final compensation, age and years of service credit. Members hired on or before December 31, 2012, with five years of credited service are eligible for the normal retirement benefit at age 60. Members hired on or after January 1, 2013, with five years of credited service are eligible for the normal retirement benefit at age 62. The normal retirement benefit is equal to 2.0 percent of final compensation for each year of credited service.

The STRP is comprised of four programs: Defined Benefit Program, Defined Benefit Supplement Program, Cash Balance Benefit Program and Replacement Benefits Program. The STRP holds assets for the exclusive purpose of providing benefits to members and beneficiaries of these programs. CalSTRS also uses plan assets to defray reasonable expenses of administering the STRP. Although CalSTRS is the administrator of the STRP, the State is the sponsor of the STRP and obligor of the trust. In addition, the State is both an employer and nonemployer contributing entity to the STRP.

MSA 7 contributes exclusively to the STRP Defined Benefit Program, thus disclosures are not included for the other plans.

**Contributions**

Section 20814(c) of the California Public Employees' Retirement Law requires that the employer contribution rates for all public employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. Total plan contributions are calculated through the CalPERS annual actuarial valuation process. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. MSA 7 is required to contribute the difference between the actuarially determined rate and the contribution rate of employees. The contributions rates are expressed as percentage of annual payroll. The contribution rates for each plan for the year ended June 30, 2018 and 2017, are presented above and the total Charter School contributions were \$32,737 and \$28,634, respectively.

MSA 7 are a participant in the California Charter Schools Joint Powers Authority (CCS-JPA) *dba* CharterSAFE for risk management services for workers' compensation and charter school liability insurance. The relationship between MSA 7 and CharterSAFE is such that CharterSAFE is not considered a component unit of MSA 7 for financial reporting purposes.

CharterSAFE has budgeting and financial reporting requirements independent of member units and CharterSAFE's financial statements are not presented in these financial statements; however, transactions between CharterSAFE and MSA 7 are included in these statements. Audited financial statements for CharterSAFE were not available for fiscal year 2017-2018 at the time this report was issued. However, financial statements should be available from the respective agency.

During the year ended June 30, 2018 and 2017, MSA 7 made payments of \$31,480 and \$31,152, respectively, to CharterSAFE for services received. At June 30, 2018 and 2017, respectively, MSA 7 had no recorded accounts receivable or accounts payable to CharterSAFE.

***NOTE 14 - CONTINGENCIES***

**Grants**

MSA 7 has received State and Federal funds for specific purposes that are subject to review and audit by the grantor agencies. The LAUSD Office of Inspector General has been in the process of reviewing prior year's activity. Per the LAUSD Office of Inspector General letter dated November 6, 2017, "unless the Office of Inspector General receives new information or is directed otherwise by the Board, the office of Inspector General will not be moving forward on this matter at this time". Although such audits could generate disallowances under terms of the grants, it is believed that any reimbursement, if required, would not be material.

**Litigation**

Magnolia Science Academy 7 is not currently a party to any legal proceedings.

***NOTE 15 - SUBSEQUENT EVENTS***

MSA 7's management has evaluated events or transactions that may occur for potential recognition or disclosure in the financial statements through December 13, 2018, which is the date the financial statements were available to be issued. Management has determined that there were no subsequent events or transactions that would have a material impact on the current year financial statements.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Governing Board  
Magnolia Science Academy 7  
(A California Nonprofit Public Benefit Corporation)  
Northridge, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Magnolia Science Academy 7 (MSA 7) which comprise the statement of financial position as of June 30, 2018 and 2017, and the related statements of activities and cash flows for the fiscal year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 13, 2018.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered MSA 7's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of MSA 7's internal control. Accordingly, we do not express an opinion on the effectiveness of MSA 7's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of MSA 7's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether MSA 7's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of MSA 7's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering MSA 7's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
